

AWOL OUTDOOR ADVENTURE

The **A.W.O.L** Programme/ Third Level Outdoor Education Programmes

The **A**dventure **W**ith **O**utdoor **L**earning programme has been designed exclusively for the needs of students in third level colleges to make that even transition from studies to business. The programme combines a team work element with a choice of National Governing Body certified skills training courses in either canoeing, Leave No Trace, Archery, Orienteering. The Teamwork Element, is an essential factor of third level courses in the vocational area. On completion of Level 5 and Level 6 students gain employment in which team working will be a fundamental part of their working life.

The **A.W.O.L** Programme is suitable for students in:

- The Social Care & Health & Caring Services
- Sport & Recreation Course
- Environmental studies
- Business Studies
- Physical Education Studies
