

AWOL OUTDOOR ADVENTURE

National School Tours

Outdoor Learning Programmes for Primary Schools

AWOL Outdoor Adventure aims to help teachers put into practice the Outdoor and Adventure Activities Strand of the Physical Education curriculum to embrace instruction to water based Activities, Orienteering or Adventure Activities. This programme is offered as a day course

Activities;

- Canoeing
- Orienteering
- Mud Slide
- Group solving problem
- Mountain Boarding
- Archery
- Low Ropes Course

The Outdoor Education Programme is delivered to the children in such a style that everyone can contribute and feel successful at the end of the session. They are non-competitive and exciting.

The principle aim of this programme is to support children to embrace a healthier lifestyle based on an enjoyment & understanding of the outdoors.
